## Activities & Progress Report Under UNNAT BHARAT ABHIYAN-II Regional Coordinating Institute, Indian Institute of Technology Gandhinagar, Gujarat

April- June, 2019

### INTRODUCTION

Indian Institute of Technology Gandhinagar(IITGN) is a Regional Coordinating Institute(RCI) under UNNAT BHARAT ABHIYAN-II. There are 31 Participating Institutes (PI) with IITGN **Annexure I**.

IITGN coordinates with the PIs on weekly basis through emails, WhatsApp and telephone calls.

PIs report about activities, difficulties and issues in their respective villages.

### **Activities Completed**

1. **Appointment of Project coordinator:** The project coordinator joined RCI on 4<sup>th</sup> April, 2019.
2. **Workshop**  
**16<sup>th</sup> April 2019:** One-day workshop on “Role of PIs under UBA-II”  
A report of workshop and participants is presented in **Annexure II**.
3. Formed a WhatsApp group on **7<sup>th</sup> of August, 2019** consisting of all PIs, members from IITD and IITGN.

### **Monitoring**

- 13 PIs have completed their household surveys, and remaining PIs are in the process which is enclosed in **Annexure III**.
- 3 PIs have sent the reports of activities they have completed **Annexure IV**.
- 6 PIs have identified the major problems in their respective villages which is enclosed in **Annexure V**.

## Annexure I

## List of Participating Institute with IIT Gandhinagar

S.No.	Name of PI	Coordinator Name	Email Address	Contact number	District	Villages adopted	State	AISHE Code	Type
1	Gujarat University, Ahmedabad	Dr. Kamaljit I. Lakhtaria	kamaljit.ilakhtaria@gmail.com	9879515909	Ahmadabad	Lapkaman, Jaspura, Lilapur, Ogan, Khoraj	Gujarat	U-0136	non-tech

## Annexure II

### Report On the Workshop Role of Participating Institute under 'UNNAT BHARAT ABHIYAN' April 16, 2019, IIT Gandhinagar

Attendees: PIs

Date: 16<sup>th</sup> April, 2019

Venue: Block 6, 202, IIT Gandhinagar

Time: 10:30 AM to 2:30 PM

The first workshop of the participating institutes under UBA II was held on 16<sup>th</sup> April, 2019 at IIT Gandhinagar. IIT Gandhinagar (IITGN) is a Regional Coordinating Institute (RCI) for 32 participating institute under UBA II. The list of participants is given below.

#### Session 1: Inauguration

- A. On the inaugural session, Prof Pranab K. Mohapatra, Coordinator of UBA at IITGN welcomed the participants and gave a brief introduction about UBA.
- B. Prof Amit Prashant also welcomed the participants and emphasized the importance of villages and their development. He mentioned that the solution must be by the people (Villagers) and roles of PIs and Coordinators in this field are extremely important.
- C. Prof. Michel Danino in his short speech told about role of forests and schools in the development of villages.

#### Session 2: Introduction of participants

Participants have Introduced themselves and shared their work carried out by them in 'Unnat Bharat Abhiyan' and also shared their experiences and difficulties during working under UBA.

#### Session 3: About UBA, Vision, Mission, Objectives, Role of Participating Institute and Regional Coordinating Institute.

Prof. Pranab Mohapatra presented the vision and mission of UBA to the participants. He mentioned about the link between activities by UBA and village development. Roles of PI and RCI

are pointed out. He also emphasized the regular interaction of RCI and PI and PIs among themselves for a grand success of UBA.

#### **Session 4: Village Development Plan**

Under this session the discussion was about preparing the village development plans (VDP). In his presentation, Prof. Mohapatra discussed the followings: how to select villages; setting the objectives of a VDP; role of interaction with the villagers; subject expert groups. He emphasized on the integral approach to village development including economic development, infrastructure development and other aspects of human development i.e., education, health, drinking water supply, etc.

#### **Session 5: Open discussion/ questions**

The participants posed several questions on surveying the villages and the villagers; source of money to be spent for UBA activities by PI; UBA cell in their respective institutes etc.

The workshop ended with vote of thanks.

Annexure III					
Household Survey					
Sr No	Name of the Participating Institute	Name of the coordinator	Contact Number	Village adopted	Survey
1	Gujarat University	Dr. Kamaljit I. Lakhtaria	9879515909	5	<b>Status Unknown</b>

B H Gardi College of Engineering & Technology

## Subject: A Report of House hold survey in our adopted villages

**Introduction:** The conceptualization of UBA started with the initiative of a group of dedicated faculty members of Indian institute of technology (IIT) Delhi working for long in the area of rural development and appropriate technology. Our institute also being a part in Unnat Bharat Abhiyan and adopted five villages which are

### 1) Anandpar 2) Nikava 3) Pipardi 4) Devla 5) Chhapara.

Under this program, our main task is to upgrade the villages. So to know the village the first step we have taken is door to door survey of each and every villagers. We had visited different villages with our **institute coordinator Prof. Parag Paija (Mechanical Department)** and approximately **more than 50 students** were also heartily participated. We enjoyed while interacting with village people and successfully completed our first step.

Here I have send some details & Photos of the house hold survey of all adopted villages.

#### 1) Village Name: Anandpar

No. of house hold survey: 365

No. of Students: 45

- In Anandpar Village initially team had interacted with Sarpanch, and we got very positive response and team had successfully completed the household survey, and villagers were very supportive and kind.
- The aim of our team is to spread awareness regarding the facilities that they need to use and in such a frame where they were lacking behind.
- Team had successfully accomplished the task and collect all the data from the village which would be successful for us in our future.

## B H Gardi College of Engineering & Technology

# Unnat Bharat Abhiyan

## B H Gardi College of Engineering & Technology

### 2) Village Name: **Nikava**

No. of house hold survey: **580**

No. of Students: **45**

- In Nikava Village initially team had interacted with Sarpanch, and we got very positive response. We had successfully completed the survey on household facilitation, the village was quite large in area and with all such kind support team had successfully accomplished their task Team has gathered all the data's which will fulfil a future requirement for our kind work.

- Also, the team had visited 3-4 schools to interact with their teachers, regarding teaching facilities and the team had received kind and supportive response over there.
- Schools, in the village Was developed and the team would try to enhance the stuff in a better way for them.

# B H Gardi College of Engineering & Technology

## ➤ Some photos of the House hold survey

# B H Gardi College of Engineering & Technology

## B H Gardi College of Engineering & Technology

### 3) Village Name: **Pipardi**

No. of house hold survey: **140**

No. of Students: **30**

- In Pipardi Village initially we have interacted with Sarpanch, and we got a very positive response. We were happily done the household survey, and village people were very supportive, also we have interacted with schools students and their teachers. The team had successfully gained all the knowledgeable data from the region which is going to be helpful for us to develop the things in the future.

# B H Gardi College of Engineering & Technology

## B H Gardi College of Engineering & Technology

### 4) Village Name: Devla

No. of house hold survey: 140

No. of Students: 35

- In Devla Village initially we have interacted with Sarpanch, and we got very positive response. We were happily done the household survey, and village people were very supportive.

# B H Gardi College of Engineering & Technology

## B H Gardi College of Engineering & Technology

### 5) Village Name: **Chhapra**

No. of house hold survey: **140**

No. of Students: **35**

- In Devla Village initially we have interacted with Sarpanch, and we got very positive response. We were happily done the household survey, and village people were very supportive.

# B H Gardi College of Engineering & Technology

## B H Gardi College of Engineering & Technology

### **Outcomes:**

- The outcome of this initiative is that students can apply their creative thoughts to a particular village. So in that students can also upgrade themselves technically as well as the rural area also gets uplifted. We can say that it is for the overall growth of India.
- Still many of the facilities govern by the government policies are not still awarded to the needy, the aim of our team is to spread awareness among them and to provide them a better future.
- To develop the future generation in all such way that the future of INDIA not just in terms of education but in all social factors could be enhanced and come across all the barriers of their live hood.
- Team had identified the key points which could be helpful for them and to resolve the issues of villagers.

**Prepared By:**

**Prof. Parag Paija**

**Institute Coordinator**

**Activities by PI (1)**  
**Entrepreneurship development of India**

<b>Name of the Village</b>	<b>Activity-I</b>	<b>Activity-II</b>	<b>Activity-III</b>	<b>Activity-IV</b>
<b>Bhat (CT)</b>	We visited the village 8 time; conducted numbers of Gram Sabha meetings, interacted with Local Body (LB) members like village sarpanch, Talati and other panchayat members. Also, visited Sub centre of health and discussed about the basic health service in the village. Met school teachers as well as students and collected some primary information about the basic amenities and issues relating to education background in the village. Interacted with the villagers and created awareness about the UBA among them.	Village Survey is finished and data is uploaded in the UBA portal	14 Households Survey data is uploaded in the UBA portal	Primary stage problem is identified which is basically based on socio-cultural problem
<b>Dhanap</b>	We visited the village five times. Conducted Gram Sabha meetings, interacted with the Local Body members, ASHA workers, Anganwadi workers, and interacted with the villagers and created awareness about the UBA.	Village Survey is finished and data is uploaded in the UBA portal	39 households survey data is uploaded in the UBA portal	Primary stage problem is identified which is basically based on socio-economic

<p><b>Dolarana Vasana</b></p>	<p>We visited the village five times. Conducted Gram Sabha meetings, interacted with the Local Body (LB) members, health workers, Anganwadi workers and villagers and created awareness about the UBA.</p>	<p>Village Survey is finished and data is uploaded in the UBA portal</p>	<p>10 households survey data is uploaded in the uba portal</p>	<p>Primary stage problem is identified which is basically based on waste collection &amp; management system, and some basic facilities, internet, wifi etc.</p>
<p><b>Fatehpura</b></p>	<p>We visited the village six times. Conducted Gram Sabha meeting, interacted with the Local Body (LB) members, visited schools, discussed with teachers and interacted with the villagers, and created awareness about the UBA. The villagers also shared various socio-economic and political issues and problems relating to the village.</p>	<p>Village Survey is finished and data is uploaded in the UBA portal</p>	<p>24 households survey data is uploaded in the portal and already 45 households survey finished which is going to be uploaded in the portal very soon.</p>	<p>The major problem of the village is already identified. Now we are planning how to implement our innovative solutions to that problem.</p>
<p><b>Sonarda</b></p>	<p>We visited the village five times. Conducted Gram Sabha meetings, interacted with the Local Body members and interacted with the villagers and created awareness about the UBA.</p>	<p>Village Survey is finished and data is uploaded in the UBA portal</p>	<p>17 households survey data is uploaded in the portal</p>	<p>Primary stage problem is identified which is basically based on socio-cultural problem</p>

- Low count of household survey is due to the reason that many village households have apprehensions regarding their participation in the survey. To resolve this problem several meetings are being conducted in presence of Gram Sabha members to create awareness about UBA and the benefits it will deliver in near future.
- More efforts are therefore being made continuously to finish the household survey as soon as possible.

## Activities & Progress of the Unnat Bharat Abhiyan 2.0

**GIDC Degree Engineering College**

Managed by GIDC Education Society

Gujarat's Public Private Partnership(PPP) Model Institute

**GIDC DEGREE ENGINEERING COLLEGE, ABARAMA, Navsari** has adopted Five Villages under Unnat Bharat Abhiyan. The details are as follows:

Sr. No.	Adopted Village Name	Gram Panchayat	District
1	Mandir	Mandir	Navsari
2	Abrama	Abrama	Navsari
3	Sarav	Sarav	Navsari
4	Kharsad	Kharsad	Navsari
5	Vedchha	Vedchha	Navsari

A group of faculty members and students visited above listed villages and conducted Village Survey and household survey during the month of July-2019. In respective Villages, Sarpanchshree provided the data about village and thereafter household survey was collected from individual houses.

**At Abrama Village** Prof. Nilesh Parmar, Prof. Harshal Vashi along with 10 volunteer students arranged village visit in order to communicate with local people effectively and on these days survey were taken from around 40 households.

**At Mandir Village Prof. Bhumika H. Patel, Prof. Kushal Patel along with 07 volunteer students arranged village visit in order to communicate with local people effectively and on these days survey were taken from around 50 households.**

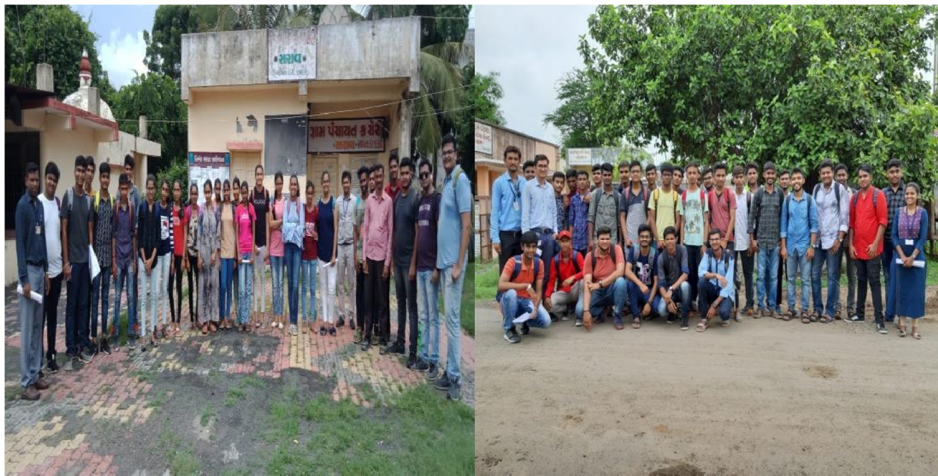

**At Sarav Village** Prof. Dhaval Patel, Prof. Ketan Lad along with 10 volunteer students arranged village visit in order to communicate with local people effectively and on these days survey were taken from around 50 households.

**At Vedchha Village** ,Prof. Ankit Patel, Prof. Hitesh Rana along with 10 volunteer students arranged village visit in order to communicate with local people effectively and on these days survey were taken from around 30 households.

**At Kharsad Village** ,Prof. Pritesh Rathod, Prof. Hetal Patel along with 17 volunteer students arranged village visit in order to communicate with local people effectively and on these days survey were taken from around 50 households.

**One Day Visit to village visit was also arranged about 50 students along with faculty members on 24<sup>th</sup> July, 2019.** During this visit students did questionnaires to village people regarding their daily routine, their village problem etc.?’

In this month ,the household survey data will be uploaded on Unnat Bharat Abhiyan portal. In addition, we have also discovered One regional Problem/Issue per adopting village and will submit it to Regional Coordinating Institute, SVNIT-SURAT.

**Prof. Nilesh Parmar**

UBA Coordinator  
GDEC, Navsari

**Dr. Neeraj D. Sharma**

Principal, GDEC, Navsari

**Annexure V**

**Major Problems have identified by the PIs**

	<b>Name of the Institute</b>	<b>Name of the Villages</b>	<b>Major Problems</b>
<b>1</b>	<b>Entrepreneurship Development of India</b>	Bhat	1. Wide Consumption of Alchohalism and Tabacco in Village. 2. High dropout rate among girls after promary and secondary education. 3. Prblems of child marriage among thakor community.
		Dhanap	1. Some of the houses still don't have a toilet facility. 2. Lack of awareness about the government schemes and policies.
		Dolarana Vasana	1. They have a problem of waste collection and roads are not pucca in some areas of village.2. basic facilities are not available.
		Fatepara	1. No Post office in village.
		Sonarda	
	<b>B H Gardi College of Engineering &amp; Technology</b>	Anandpar	1. Water Problem in Village. 2.Electricity problem. 3. Required swachhata abhiyan. 4. Qulaity of education is required in scools.
		Nikava	
		Pipardi	
		Devla	
		Chhapara	
<b>3</b>	<b>Indus University</b>		1. Lack of Awareness Among villagers about government scheme.2. street lights are not on roads. 3. Roads are kuchha.4. Water tank is not in good condition.
		Nandoli	
		Palodiya	
		Nasmed	
		Rancharada	
		Unali	
<b>4</b>	<b>Rai University</b>		

		Saroda	1. Water conservation Problems 2. Poor Girl Child Education.3. Lack of awareness about Government Schemes. 4.No Benefits of Pension Schemes. 5.No Waste Collection System. 6.Lack of Street Light in some Areas.
		Chaloda	
		Chandisar	
		Vasna	
		Keliya	
		Ambaliyara	
5	Marwadi University	Bedi	1. Water conservation Problems 2. Poor Girl Child Education.3.Lack of awareness about Government Schemes. 4.No Benefits of Pension Schemes. 5.No Waste Collection System. 6.Lack of Street Light in some Areas
		Ratanpar	
		Movia	
		Gauridad	
		ishwariya	
		Gundala	
6	GIDC Degree Engineering College	Abrama	1.Improvement/Upgradation in Grampanchayat building, School building, Anganwadi building is at demand by looking to present condition needs such improvements. 2. Also extension in such buildings are desirable to avail further amenities which are not presently availed like- internet surfing facility , modern facilities to be provided 3. It's also suggested and appealed from village people to provide one civic center type building/Community development centre at existing building or with new building where amenities facility can be served like Electricity
		Sarav	
		Kharsad	
		Vedacha	

		Mandir	<p>bill payment , complain center , telephone bill payment , Cyber Café ,Gram Panchayat ,Library , first aid center etc.</p> <p><b>4.</b> To increase the regular state government transportation facilities on regular base.</p> <p><b>5.</b> In some of the inside area as well as adjoining area proper road facilities are lacking or needs much improvement as such roads are providing connectivity to surrounding villages and city area – Such demand needs to provide/re-establish roads with Rigid/Flexible Pavement</p> <p><b>6.</b>Need of continuous supply of electricity is also at demand. It's also come out that local people/farmers and villagers are not much aware with Government support schemes/subsidy schemes- So dissemination particularly in regional language and feasible mode is required</p> <p><b>7.</b> To co-ordinate with surrounding institutions /colleges for making awareness of rural students about further study. <b>8.</b> Introduction of small scale businesses , skill based business are expected to be encouraged at rural level.</p>
22	Indian Institute of gandhinagar	Mirapur	<p>1. Street road in kuchcha. However, the main road is pucca (under construction at the time of visit to village) and full of slush. Street roads are of without light.</p> <p>2. No drainage of wastewater. It flows through the streets resulting in all roads being slushy.</p> <p>3. No place for garbage disposal.</p> <p>4. No primary health centre/First Aid Service in the village.</p> <p>5. Families have a toilet but they are reluctant to use it.</p> <p>6. There is no Gramin bank in the village.</p> <p>7. Lack of teachers and building in primary school.</p> <p>8. Issues related to potable water.</p> <p>9. Polluted water of the both ponds located in the village.</p> <p>10. Employment issues among youths</p>

		<p>Pallanomath</p>	<p>1.The main road is also kuchcha and full of slush. Street roads are of without light.2. No place for garbage disposal.3. No primary health centre/First Aid Service in the village.4. Families have a toilet but they are reluctant to use it.5. There is no Gramin bank in the village6. Issues related to potable water. Water tank is required.7. Polluted water of pond located in the village.8. Employment issues among youths</p>
